### **Mamma Mia Synopsis**

Mamma Mia is a story about a girl called Sophie with a dream –she wants her wedding day to be perfect and she wants her parents to be friends. She escapes from her problems into a world of music but now she has met the love of her life, Sky, and wants a dream wedding with both her parents, Donna and Bill, there to see her. This is not easy as her mother, Donna left Sophie's father Bill many years ago saying she never wanted to see him again. Donna's friends and former band members Tanya and Rosie have come to the island for the wedding and try to relive old times again with her. Sophie secretly brings her father to the island in preparation for her wedding day.

But will Sophie with love and perseverance bring everyone together in the end or will the greatest day in her life end in disaster?

### Mamma Mia

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again  
My my, just how much I've missed you?  
Yes, I've been brokenhearted  
\_\_\_\_\_ since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really \_\_\_\_\_  
My my, I could never let you go  
I've been angry and \_\_\_\_\_ about things that you  
I can't count all the times that I've told you "we're  
through"  
And when you go, when you slam the \_\_\_\_\_  
I think you know that you won't be away too long  
You know that I'm not that \_\_\_\_\_  
Just one look and I can hear a bell \_\_\_\_\_  
One more look and I forget everything

[Chorus]

Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, even if I say  
"Bye bye, leave me now or \_\_\_\_\_"  
Mamma mia, it's a game we play  
"Bye bye" doesn't mean forever

[Chorus]

Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really \_\_\_\_\_  
My my, I could never let you go
